Why Nordent?

Nordent is constantly innovating dental instrumentation. By partnering with Nordent you not only receive the instruments you deserve, but also the customer service your practice requires.

Nordent developed the **First Ergonomic Instrument Handle in 1985.**

Nordent **introduced the Scalette® in 1997**, a hygiene instrument that combines a scaler and a curette into one easier to use instrument.

In **2016**, Nordent introduced an advanced micro structure **UltraSteel™ technology**, providing the longest lasting edge possible.

A Full Line Of High Quality Instruments:

Diagnostic | Surgical | Hygiene | Operative

A passion for premium craftsmanship and industry-leading innovations has transformed Nordent over the last 50 years into the market leader you know today. Behind the sharpest name in dentistry is a team of trusted advisors dedicated to your success and ready to provide you with unbeatable support.
