

# COCO'S HYGIENE KIT

BY DR. JOY VOID-HOLMES, RDH

Dr. Joy Void-Holmes, RDH, and Nordent have partnered to offer an instrument kit that reflects a shared commitment to supporting dental hygienists in their practice.

CoCo's Kit is designed for universal application and tailored for routine recare and periodontal maintenance patients with pocket depths of 5mm or less. This kit delivers precision, versatility, and meets the demands of today's clinicians.

KIT CODE **RENSCOCO**

## ABOUT THE KIT'S NAME

The name "CoCo's Kit" was inspired by Dr. Joy, lovingly called "Coco" by her grandson, as a tribute to their special bond. This kit brings a fresh, modern take—definitely not like your grandmother's instruments!
