•Titanium Implant Probes

Color-coding is applied to Titanium Probes under extreme temperatures so that the color penetrates the surface of the tip, preventing the markings from easily scratching off.

•Periodontal Probes

All Nordent Periodontal Probe tips are made from spring-tempered stainless steel and machine ground to exacting tolerances.

Valid January 1 - March 31, 2026

PROMO CODE: 26Q1DP *To receive goods at no additional cost, please send a copy of your dental dealer invoice (with no cost selections noted) to our customer service team at the address below. Make sure to reference the promo code. All requests for no cost goods must be received within 30 days of invoice.

This promotion offers a bundle. You must fully and accurately report any discounts, rebates or other price reductions ("Discounts") to Medicare, Medicaid, Tricare and any other federal or State program upon request by any such program. You must claim the benefit of these discounts in the fiscal year in which the discounts are earned, or the following year. Accordingly, you should retain any documentation, including your invoice or purchase order, of Discounts. It is your responsibility to review any agreements or other documents applicable to these prices to determine if they are subject to any Discounts.
